

## A MOBILE BOX TERMS & CONDITIONS

Contact A Mobile Box at (979) 798-AMBX(2629) to schedule a visit to our container yard to select a portable storage box and/or get pricing for a specific box as prices vary depending on the quality of the unit.

Deliveries are generally made within 5 business days. Delivery times may change depending on the weather and conditions of the proposed location for the box.

Once a unit is selected, a contract must be signed and arrangements made for delivery to the specified location. If the delivery location is inadequately described and the delivery vehicle is unable to maneuver or if the selected box is rejected, the delivery fee along with a 25% restocking fee will be charged.

For best results, set the box on blocks to eliminate direct contact with the ground. In addition, the use of moisture absorbing products such as DampRid inside the box may help with moisture control in a humid environment.

### Specifications and requirements:

- Clearance required for 20' box: 13'3" height, 70' length (20' for box and 45'-50' to maneuver delivery vehicle)
- Clearance required for 40' box: 14' height, 110' length (40' for box and 70' to maneuver delivery vehicle)
